# CLASS # 56

## 14 FUNCTION POCKET SUPER TOOL

These super tools are top of the line stainless steel, with 14 functions in an innovative blade locking system that prevents 'fold-up' during use. They're built to exacting standards so that each blade is solid and tight and the many functions of this tool are useful in various professional situations.

Each multi-use tool features a super tough plier with a built-in cutter, two knife blades, flat and Phillips screwdrivers, a wood awl, punch, file, can and bottle opener and a super tough serrated saw blade with fish hook remover.

You can depend on, and be proud to carry, this multi-tool on your belt or in your pocket at any job site, fishing or hunting trip. They include a rugged, black canvas sheath. Imported.

## CLASS # 56

# BUTCHER BLOCK CUTLERY SETS

These Masterchef™ cutlery sets are perfect for any kitchen and are compact so they'll fit conveniently on any countertop. The blades are made from surgical, high carbon stainless steel that resists stains, rust and corrosion. The handles are heavy duty ABS plastic designed for durability, perfect balance and grip.

Featured in these sets is the popular Japanese 'Santoku' knife used by famous chefs on TV. This knife is the 'must have' in any kitchen. Its unique design makes this knife the ultimate tool for slicing, chopping and dicing and the scalloped edge prevents items being sliced from sticking to the blade. (Steak knife set does not include a Santoku knife.)

## **CLASS # 56**

# **DECORATIVE TOUCH LAMPS**

These beautiful lamps are not only a nice décor for any home but are also very easy to turn on, up, or off with just a light touch anywhere on the lamp. The concept sounds easy however; these lamps contain a very complicated circuitry combining static electricity and electrical current combined with a touch sensor and memory bit.

They are available in a variety of beautiful designs and are 100% safe to operate with just a touch of a finger. Easy to turn on in a dark room without fumbling for a switch and adjust from low to high lighting to off all with just a touch. All lamps measure 16"W x 16"D x 24"H and require three 25 watt, type 'B' bulbs (included).
